## Smoking Ceremony and Welcome to Country

Norm is a proud Aboriginal man with heritage connected to the Kurnai and Wotjabaluk people of Victoria. He is a musician, artist and storyteller born on Wadawurrung Country. Sharing the love he has for his Culture is his life passion pursued over 25 years of experience in education, music and art. Norm follows in the footsteps of ancestors by honouring and sharing the stories of land, life and culture.

“Our stories are the oldest stories in the world. Our ancestors passed these stories down to us over thousands of years and across hundreds of generations. Now we have a role to play, we have become the holders of these stories. We are now The Keepers of the flame”.

Nikki McKenzie is a proud Aboriginal Woman with heritage connection to Wadawurrung Country. She was born and raised in Warrnambool, Gunditjmara Country, settling in Geelong five years ago. She is now a proud mum of two children who share her passion in our Culture. Currently Nikki is developing a children’s book with a family member featuring her artwork. An avid baker always, allowing me to be creative in a different medium
