stories of the edge

Profile: Joel McKerrow

Joel McKerrow, also known as, 'that red-headed poet guy,' is an award winning writer, keynote speaker, performance poet and creativity specialist. He believes that CREATIVITY and STORY are way too important for us to leave only to those we deem as being creative. And he has spent the last fifteen years travelling the world sparking creative fires in as many people as he can. Joel is an author with Penguin Random House, the Artist Ambassador for Tearfund Australia, host of THE DEEP PLACE podcast and the current VIC/TAS President of Professional Speakers Australia.
