### Profile: Torres Green

Torres Strait Islander hip hop artist, Torres Green (AKA Corey Saylor-Brunskill) has been performing on stages in front of crowds, under theatre lights for as long as he can remember. Looking to take his music to the next level, Torres joined the Singing Our Futures program where he hopes to take his ten years of song writing from open mic experiences to sold out crowds. He hopes that he can see you somewhere shouting his name and rapping his bars.
