stories of the edge

Profile : Elahe Ebrahimi

I came to Australia I was 20 years old. With little English literacy. I studied English at the Gordon tafe and RMIT University. Then I started an Advanced Diploma of Legal Practice in 2022 and finished in 2023. I am now in my second year of bachelor of Law and hopefully I will finish it in 2028. In 2021 or 2022 I stated volunteering at Cultura writing statements for humanitarian visas with help of Suzanne and Jenny. That was a stepping stone for working as bilingual support worker at Cultura. I also worked for thier migration team, part time for about 12 months. For about 6 months I worked at Northern Bay College as Multicultural English Aid (MEA) helping Afghan students with their studies. And now I am only focusing on my studies and do not work.
