Kavisha's latest album "There is a Field" follows her beautiful 2019 album EMPTY SKY with more sacred songs and chants from wisdom traditions of the world plus her own original songs .

Rumi says " Out Beyond ideas of Wrong Doing... Beyond ideas of Rightdoing there is a field .I'll meet you there. " Kavisha sings this amongst other mystic, poetic beauties.

"There is a field " is a collection of transformational songs that warm the soul and help one steer in stormy waters of this crazy beautiful world.

It was Co produced in 2025/26 with veteran composer and legendary musician NIC Lyons in a tiny wooden cottage in Malmesbury VIC. **The CD will be launched at Sacred Edge Festival 2026 !**
