

## Profile: Josslyn Owleye

Josslyn Owleye is a poet, healer and circle keeper. She uses writing, art making, play, movement and ritual to make sense of her world. Her embodied, sensual work aims to capture present moment awareness, and explores themes of connection and interdependence.

Josslyn also is an experienced psychotherapist, workshop designer and facilitator in the areas of somatic sex education and trauma recovery.

Originally from the Surf Coast, Josslyn spreads her time between Wadawurrung, Dja Dja Wurrung, and Gadubanud countries. She currently lives in Castlemaine, Victoria.
